

FeelGood Fundraising Guidelines

Thank you for supporting Pieta House by organising a FeelGood fundraising event. The following guidelines will help support your event.

- Please ensure all events are hosted in line with social distancing guidelines, a full list can be found [here](#).
- Street collections require a Garda Permit. Pieta must be advised of the intention to apply for a permit prior to application.
- Buckets must be sealed with a Pieta cable tie during all collections.
- Door to door collections are not allowed.
- Buckets must be returned to Pieta after your event.
- The event should not, by association, have the potential to adversely affect the image of Pieta or conflict with our mission and values. All events and activities should be respectful, honest, open and legal.
- Text describing the work of Pieta must be approved by Pieta prior to use. Please contact us if you require a copy of our logo.
- Fundraisers must at all times conduct themselves with integrity, honesty and trustworthiness. They should at all times act openly and in such a manner that donors are not misled.
- Remember your event should make you feel good. Try not to overwhelm yourself or burden yourself with over planning or over complicating things. Keep it simple 😊
- To make a donation or to lodge the funds raised from your event click [here](#)
- Alternatively, for bank transfers please use the below:

IBAN: IE58ULSB98604010374983

BIC: ULSBIE2D
